On 3 December, MEPs and national MPs met to discuss youth policies in Europe; social inclusion and intercultural dialogue through education; and lifelong learning: from school to active life.

EU Consultation: A renewed Modernisation Agenda for Higher Education in the EU

[Read more here](#)

The Commission recently released a public consultation on higher education, mainly focusing on:

- the current strengths and weaknesses of higher education in the EU;
- the priority areas where those in charge of higher education should focus their attention; and
- how the EU should support efforts to improve higher education.

Deadline for contribution: 26 February 2016.
